Show highlights

Trend Forums & Trend Book dreamed up by Louis Gérin and Gregory Lamaud, Artistic Directors for the shows, highlight exhibitors products onsite and on digital media, during and after the shows.

Various itineraries are proposed to Buyers in order to facilitate their research:

- **The Small Order Itinerary** which lists the manufacturers who can sell small quantities to designers is a real asset for small brands and capsule collections.
- **The Sustainable Sourcing Itinerary:** for more than 10 years, the show has been promoting eco-responsible and ethical textiles, allowing you to find sustainable companies for a greener sourcing. A dedicated Sustainable Trend Forum displays a selection of certified manufacturers.
- **The Handmade Itinerary** aims to promote the finest handicraft of our manufacturers, coming from around the globe: embroideries, brocarts, handwoven fabrics and more to be discovered.

A qualitative programme of events is organised with professionals and experts of the industry:

Discover our conferences on the most recent trends, innovations and sourcing possibilities. Plus, carefully chosen items from the manufacturers collections are featured on the shows catwalks.
